Message from the Principal :

I, on behalf of B. C. Medhi College fraternity, extend a warm welcome to our dear students and express my sincere gratitude to the respected parents and guardians for trusting the future of your wards with us. It is my proud privilege to inform all that B. C. Medhi College, a centre of higher education established on 13th August, 1992, has been accredited with 'B' grade during its 1st cycle of NAAC Assessment in the year 2023. With an illustrious 35 years history, B. C. Medhi College has succeeded in meeting the academic goals of the students. The college gained a new dimension in 2013 when it was provincialized according to Assam Govt. Venture institution Provincialization Act 2011.

Ramdia is located on the north bank of river the Brahmaputra, 30 kilometres away from the city Guwahati. Ramdia is quite rich in the domain of education and culture in which Raibahadur Kaliram Medhi contributed a lot in the firmament of literature. It was a dream of the people of greater Ramdia and its neighbouring villages to impart quality education among the people of this rural area. The college is permanently affiliated to Gauhati University. It completed its silver jubilee in 2016.

The college has been a long-standing dream of the people of greater Ramdia. Therefore, the college has a towering responsibility of cultivating an environment for intellectual, ethical, moral and physical upliftment in the area. Presently, we are imparting major course in Assamese, Economics, English, Education and Political Science and minor course in Assamese, Arabic, Economics, Education, English, Mathematics, History and Political Science. The college is also running a study centre of Krishna Kanta Handiqui State Open University (KKHSOU) and has been offering courses leading to B.A. and M.A. degree. The Postgraduate courses in Assamese, Education, Economics, Political Science and English have enhanced the efficacy of the college. At present the college has an enrolment of more than six hundred students, most of them belonging to economically poor and minority classes. The facilities like multi-gym, playground, indoor stadium, canteen etc. are open to students and staff for their physical growth. The interested students can participate in NCC, NSS and Bharat Scout & Guide.

The college implemented Four Year Undergraduate Programme (FYUGP) under NEP 2020 as per Gauhati University guidelines from the academic session 2023-24. We strictly follow the academic calendar of the affiliating university. The students will be subjected to punishment and disciplinary action against any kind of offences, indiscipline and antisocial behaviour including their failure in acquiring the required attendance in the classroom instructions. We are planning to introduce different Add-on courses, Certificate courses, innovative teaching learning method and MoU's with reputed universities or industries for the benefit of students. With our thirty-five years of experience, we are giving our all sorts of effort to make all those changes student friendly and we hope that our opportune students will get a hassle-free atmosphere under the guidance of our experienced faculty members.

Finally, I express my gratitude to all those whose contributions have brought the college to this point, and expect to build upon the contributions and cooperation of all the stakeholders. With these words I welcome you once again on behalf of the college fraternity, in the hope that your years as a student will enrich you and this academic institution.

We wish the college an ever-growing success.
