Report

With an innovative idea, IQAC, B. C. Medhi College, Ramdia organizes an extra-ordinary programme (*The Year 2025 Ending Staff Talent Exposal Programme RENGONI*) to expose the talents of college staff members on the eve of the last day of the old year 2025. Dr. Biswajit Das, Principal of the college was the chairperson to conduct the programme smoothly. Dr. M. Abdul Majid Ahmed, coordinator of IQAC explains the objectives of the programme. At the very outset of the programme, a diary and a calendar of the new year 2026, printed in the name of the college is distributed to every staff member and a calendar to every student. Every staff member performs his/her individual talent in front of all others. Some sing songs, some dance, some crack jokes and some others expose their expertness in playing musical instruments like violin, harmonium etc. The afternoon becomes a very sweet and enjoyable one. No single member of the staff was absent in the programme. Everybody shared together and requested to IQAC coordinator to organize such programmes from time to time for entertainment and mental feeding. At the end of the programme, the chairperson i.e. the principal of the college, after his speech surprises all by announcing that a lunch party is already arranged by him, so everybody should go to the college canteen.
